

Extended Curve Sofa

Sofas / Curved Forms

The Extended Curve Sofa follows a long, gradual arc, ending in rounded corners above a continuous low base. Its light photographed covering makes the change in direction visible without a sharply defined corner.

The extended outline can frame a central seating area or sit against a broad wall. When comparing layouts, account for the space behind the curve as well as the distance to the coffee table.

Dimensions & configuration

Made to order. No fixed overall dimensions are published for this model.

Send your target dimensions or floor plan. Final dimensions and construction follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

A long seat follows a curve and ends in rounded corners. The light tone and continuous base create extended horizontal proportions, shown along a wall or facing the living room.

Care instructions

Gently dust along the curved seat and rounded ends; keep the covering from rubbing continually against walls or table corners.

The covering and filling follow the confirmed order; do not remove covers, soak the item or beat the filling before checking the care label.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
