

Olive Green Rounded Sofa

Sofas / Curved Forms

Shown in olive green, this sofa pairs broad seat cushions with rounded arms that echo the line of the base. A separate footstool appears in the reference arrangement, extending the seating composition without continuing the back.

Consider the footstool position alongside the coffee table and the route through the room. The photographs also let you compare the curved edges and the seams around the cushions.

The covering and filling follow the confirmed order; do not remove covers, soak the item or beat the filling before checking the care label.
