

Low Back Modular Sofa

Sofas / Modular Designs

A low back and clearly divided seats give this modular sofa a restrained outline. The light-grey photographed covering makes the junctions between the seat sections and the changes in light across the surface visible.

Different views show how the corner meets the adjoining seats. These details are useful when comparing an open-room arrangement, where the back and outer edges will be seen as well as the front.

Dimensions & configuration

Made to order. No fixed overall dimensions are published for this model.

Send your target dimensions or floor plan. Final dimensions and construction follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

A low back and divided seats form a simple modular outline. Light grey upholstery highlights the light and shade of the room, while the photos show the corner and seat connections from different angles.

Care instructions

Gently dust each corner joint and seat division; do not press cleaning liquid into the joints.

The covering and filling follow the confirmed order; do not remove covers, soak the item or beat the filling before checking the care label.
