

Geometric Corner Sofa

Sofas / Modular Designs

Square arms and a straight back give the Geometric Corner Sofa a more angular outline. The long return continues the seating across the room, while the slender base leaves a distinct line beneath the light photographed covering.

Its two directions can define the edge of a seating area. Compare the return length and the available passage beside it when planning the position of adjoining furniture.

Dimensions & configuration

Made to order. No fixed overall dimensions are published for this model.

Send your target dimensions or floor plan. Final dimensions and construction follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Square arms, a straight back and a long corner seat create clear geometry. The light tone and slender base emphasize the horizontal proportions.

Care instructions

Gently dust each corner joint and seat division; do not press cleaning liquid into the joints.

The covering and filling follow the confirmed order; do not remove covers, soak the item or beat the filling before checking the care label.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
