Curved Back Lounge Chair

Armchairs / Curved Forms

The back of this lounge chair curves out to both sides around a broad seat. Light photographed upholstery contrasts with dark slender legs, leaving open space beneath the seating and a clear outline around the back.

Compare the chair from an angle when placing it beside a sofa or in a reading area. The curve is visible beyond the front view and forms part of the surrounding arrangement.

Dimensions & configuration

Made to order. No fixed overall dimensions are published for this model.

Send your target dimensions or floor plan. Final dimensions and construction follow the approved drawing.

Options, colours & customization

Size: discuss seat width, depth, height and back proportions. Custom dimensions follow the design and approved drawing.

Upholstery & colour: provide a fabric or leather swatch, or a colour reference, for material and sample confirmation.

Base & details: discuss the base material, finish and stitching colour. Functional options such as a swivel base require separate confirmation.

Design & construction

A curved back extends to both sides, contrasting light upholstery with dark slender legs. The wide seat sits within the enclosing back for a clear, simple outline.

Care instructions

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Dust the seat separately from the exposed leg frame, keeping upholstery cleaner off the frame and its joints.

The covering and filling follow the confirmed order; do not remove covers, soak the item or beat the filling before checking the care label.
