

Curved Base Lounge Chair

Armchairs / Sculptural Forms

A divided seat and back meet a light, curved base in this lounge chair. Contrasting tones separate the upholstered areas from their support, while the open space underneath keeps both parts visible.

The base is an important detail when viewing the chair from the side. Consider that profile alongside a low table, rather than judging its proportions only from a front-facing photograph.

Dimensions & configuration

Made to order. No fixed overall dimensions are published for this model.

Send your target dimensions or floor plan. Final dimensions and construction follow the approved drawing.

Options, colours & customization

Size: discuss seat width, depth, height and back proportions. Custom dimensions follow the design and approved drawing.

Upholstery & colour: provide a fabric or leather swatch, or a colour reference, for material and sample confirmation.

Base & details: discuss the base material, finish and stitching colour. Functional options such as a swivel base require separate confirmation.

Design & construction

A divided back and seat meet a light curved base. The open space underneath keeps the form visually light, while contrasting tones distinguish the seating from its support.

Care instructions

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Dry-dust the curved base separately from the seat junctions; keep cleaning liquid out of the base recesses.

The covering and filling follow the confirmed order; do not remove covers, soak the item or beat the filling before checking the care label.
