

Square Arm Sectional Sofa

Sofas / Straight Forms

Square arms and divided seat cushions give this sectional sofa a straight, clearly segmented outline. The dark photographed covering draws attention to the individual cushions and the horizontal line running across the seating. Compare the arm positions and seat divisions with the way the room will be used. A full arrangement view helps establish how the sofa relates to the table and the circulation space around it.

Design & construction

Square arms and divided seat cushions define a straight outline. The dark upholstery and multiple cushions highlight individual seats and simple horizontal proportions.

Care instructions

Gently dust each seat division and cushion seam; do not pick at the gaps or pull loose threads.

The covering and filling follow the confirmed order; do not remove covers, soak the item or beat the filling before checking the care label.
