

Jack Night Plus

Beds / Design Collection

Jack Night Plus pairs a generously divided headboard with leather straps and small toggle details. Linear seams set out the upholstered surfaces, and a raised base leaves a visible gap beneath the frame.

The hardwood construction includes feather-covered polyurethane at the headboard and wadding over the base. When selecting upholstery, consider how the straps and stitching will appear against it; these smaller elements define the bed even when bedding covers much of the base.

Dimensions & configuration

Headboard height 89 cm - 35".

Base height 27 cm - 11".

Chrome legs height 15 cm - 6".

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: provide the mattress width and length, room dimensions and preferred headboard proportions. Overall bed-frame dimensions follow the approved drawing.

Upholstery & colour: send a fabric or leather swatch, or a colour reference, to coordinate the headboard and bed frame.

Order specification: confirm the frame, support system and any additional components. Mattress and bedding inclusion is specified in the quote.

Design & construction

Hard wood frame. Headboard in polyurethane covered with feather. Base in polyurethane covered with dacron wadding. Mattress not included in the price. European wooden slats. Stitching CUC 504.

Care instructions

Gently dust the headboard and bed-rail seams; follow separate care labels for bedding and the upholstered frame.

Gently smooth the feather-layer padding; do not beat, wring or wet the filling.

When tending the mattress, remove loose dust from the slats and keep the underside ventilated; do not spray cleaner at the slat connections.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
