

Jazz Night

Beds / Design Collection

Jazz Night uses a circular plan, with a curved headboard following the line of the upholstered base. Edge seaming traces the perimeter and makes the rounded outline visible even from an oblique angle.

The padded hardwood frame includes a perforated wood mattress platform. A round bed changes the relationship to bedside surfaces and circulation, so assess the complete diameter and the mattress specification before planning surrounding cabinets or the route past the foot of the bed.

Dimensions & configuration

Headboard height 68 cm - 27".

Base height 25 cm - 10".

Wood legs height 4 cm - 1" 1/2.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: provide the mattress width and length, room dimensions and preferred headboard proportions. Overall bed-frame dimensions follow the approved drawing.

Upholstery & colour: send a fabric or leather swatch, or a colour reference, to coordinate the headboard and bed frame.

Order specification: confirm the frame, support system and any additional components. Mattress and bedding inclusion is specified in the quote.

Design & construction

Hard wood frame.

Headboard in polyurethane covered with dacron wadding.

Base in polyurethane.

Mattress not included in the price.

Wood perforated platform under the mattress.

Jazz Night is available with the following stitching:

CUC 501 with leather piping;

CUC 500C edge to edge

Care instructions

Gently dust the headboard and bed-rail seams; follow separate care labels for bedding and the upholstered frame.

Dry-dust the ventilated mattress platform and keep its openings and the space beneath clear; keep liquid out of the holes.

Before ordering
