

McQueen Night

Beds / Design Collection

McQueen Night keeps the upholstered frame slender and slightly raised, with narrow feet visible beneath it. Tufting is concentrated in the headboard, creating a change in texture above the simpler horizontal base.

The hardwood structure is padded with polyurethane and wadding and includes wooden mattress slats. This contrast between detailed headboard and restrained frame makes the proportions important: compare the headboard width and height with nearby furniture as well as checking the mattress fit.

Dimensions & configuration

Headboard height 88 cm - 35".

Base height 31 cm - 12".

Chrome and dark chrome legs height 14 cm - 6".

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization
