

Medea Chair

Chairs & Stools / Classic Collection

The armless Medea chair has a rounded padded back above a simple upholstered seat and slender legs. Removing the arms leaves the sides open, giving this version a different outline and table approach from the armchair model.

It can be repeated along a dining table or mixed with armchairs at the ends. Check the gaps between table legs so the chair can be drawn back and tucked in without obstruction.

Dimensions & configuration

Seat depth 18".

Seat height 19".

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat height, width, depth and compatibility with your table. Custom dimensions follow the design and approved drawing.

Materials & colour: submit upholstery, timber or other surface preferences. Confirm colour and texture from physical samples.

Base & details: discuss base finishes and upholstery details. Each seat height and structural configuration is confirmed separately.

Design & construction

Hardwood frame, seat suspension in reinforced elastic webbing.

Seat and back in polyurethane.

Metal structure available in all customizing finishing.

CUC 503.

Care instructions

Gently dust the upholstered seat seams; do not beat, wring or wet its foam insert.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Gently wipe exposed metal inserts, supports and fittings with a soft, dry cloth; keep liquid out of their junctions and avoid abrasive polishes.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
