

Tokyo

Sofas / Classic Collection

Tokyo balances generous upholstered volumes on a visually narrow, raised base. Defined edge stitching and small trim details give the broad cushions an outline, while the exposed feet keep the lower profile open.

The substantial seating area needs to be planned as a whole rather than as separate small pieces. Consider both the overall module length and the visible floor around the base when choosing a straight or corner arrangement.

Dimensions & configuration

Seat depth 60 cm.

Seat height 43 cm.

Armrest width 26 cm.

Armrest height 60 cm.

Metal leg height 15 cm

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Stitching CUC 510 B SPECIAL.

Care instructions

Smooth the foam-padded surfaces gently; do not beat, wring or saturate the padding.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Wipe the exposed metal legs or base with a soft, dry cloth; keep mop water off the feet and avoid abrasive polishes.

Before ordering
