

Pepper Bench

Chairs & Stools / Classic Collection

Pepper places a simple rectangular cushion above slender, angled legs. A narrow lower edge outlines the seat, keeping the bench's appearance linear and allowing the supporting structure to stay visible underneath.

Designed as an end-of-bed bench, it adds a place to pause without the height of a backrest. Consider the gap between the bench and the opposite wall or dresser so moving around the bed remains comfortable.

Dimensions & configuration

Seat height 15"

Legs height 10"

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat height, width, depth and compatibility with your table. Custom dimensions follow the design and approved drawing.

Materials & colour: submit upholstery, timber or other surface preferences. Confirm colour and texture from physical samples.

Base & details: discuss base finishes and upholstery details. Each seat height and structural configuration is confirmed separately.

Design & construction

Hard wood frame:

Cushion in polyurethane covered with wadding.

Care instructions

Gently dust the upholstered seat seams; do not beat, wring or wet its foam insert.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Before ordering
