

Tulip Bench

Chairs & Stools / Classic Collection

The Tulip bench has a long rectangular upholstered top divided into simple stitched panels. Slender legs angle outward below the seat, giving the broad cushion an open, raised support rather than a solid base.

Its low, backless format is suited to the foot of a bed. Check how far it extends beyond the bed's sides and keep the walking route clear at both ends.

Dimensions & configuration

Reference configuration P008-A · Wood-leg bench: 150 × 50 × 39 cm (W × D × H).

Reference configuration P008-D · Metal-leg bench: 150 × 50 × 39 cm (W × D × H).

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat height, width, depth and compatibility with your table. Custom dimensions follow the design and approved drawing.

Materials & colour: submit upholstery, timber or other surface preferences. Confirm colour and texture from physical samples.

Base & details: discuss base finishes and upholstery details. Each seat height and structural configuration is confirmed separately.

Care instructions

Gently dust each seat section and its piped seams; do not pick at the gaps or pull loose threads.

Dust the seat separately from the exposed leg frame, keeping upholstery cleaner off the frame and its joints.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
