

Sound Night

Beds / Classic Collection

Sound Night has a padded headboard with an internal ratchet mechanism that changes its position. The feature is integrated into a broadly rectangular bed outline, with defined edge stitching continuing around the upholstered surfaces. Its hardwood structure includes polyurethane padding and wooden mattress slats. Confirm the specified headboard movement and allow the required clearance behind the bed; the final headboard position affects its relationship with the wall, lights and bedside furniture.

Dimensions & configuration

Headboard height 86/107 cm - 34/42".

Base height 32 cm - 13".

Wood legs height 4 cm - 1" 1/2.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: provide the mattress width and length, room dimensions and preferred headboard proportions. Overall bed-frame dimensions follow the approved drawing.

Upholstery & colour: send a fabric or leather swatch, or a colour reference, to coordinate the headboard and bed frame.

Order specification: confirm the frame, support system and any additional components. Mattress and bedding inclusion is specified in the quote.

Design & construction

Hard wood frame.

Headboard in polyurethane.

Base in polyurethane covered with wadding.

Headboard with inside ratchet mechanism.

Mattress not included in the price.

European wooden slats.

Stitching CUC 508 "punto cavallo".

Care instructions

Dry-dust the adjustable headboard joints; operate it as instructed and do not spray, oil or dismantle the ratchet mechanism.

Gently dust the headboard and bed-rail seams; follow separate care labels for bedding and the upholstered frame.

When tending the mattress, remove loose dust from the slats and keep the underside ventilated; do not spray cleaner at the slat connections.

Before ordering
