

# Summer coffee tables

Tables / Classic Collection

Summer uses shaped tops above clearly expressed legs, bringing a small covered detail into the support. Different proportions allow a lower central table and a taller side table to share the same outline.

Listed surfaces include glass, ceramic and marble, with covered metal-base and selected wood-base options. The relationship between the top edge and feet is visible from across the room, so compare both elements rather than selecting the surface in isolation.

## Dimensions & configuration

T265D / T265A - 63 X 65 X 37 cm.

T266D / T266A High version - 101 X 80 X 37 cm.

T266D / T266A Low version - 101 X 80 X 30 cm.

T267D / T267A - 110 X 77 X 30".

T268D / T268A - 47 X 34 X 12".

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

## Options, colours & customization

Size & shape: discuss top length, width, height, diameter or outline. Dimensions follow the structure and approved drawing.

Materials & colour: request stone, wood, glass or another surface for review against the design and physical samples.

Base & finish: submit your preferred base style, metal colour and surface treatment for confirmation with the materials and quote.

## Design & construction

Back lacquered glass shelf, black or white.

Ceramic shelf available in all collection finishes.

Marble shelf available in all collection finishes.

Leather covered metal base available in all collection finishes.

Wood base available only in Burnished Walnut finish.

## Care instructions

Dry-dust the leather-covered metal or timber base according to the selected finish; keep tabletop cleaner and conditioning oils off the base.

Use coasters and heat-resistant mats on the top; lift objects instead of dragging them and protect the edges from knocks.

Follow the care instructions for the selected top finish and identify its material before using a cleaner.

## Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
