

Kong coffee tables

Tables / Design Collection

Kong combines a circular top with visible wood legs and a covered support immediately beneath the surface. The different heights shown in the group keep the round outline while changing its relationship to the surrounding furniture. The recorded construction lists ceramic tops, wood-leg finishes and a leather-covered top support. Compare the leg color with exposed wood elsewhere in the room, then use the top and covered ring to connect or contrast with the upholstery.

Options, colours & customization

Size & shape: discuss top length, width, height, diameter or outline. Dimensions follow the structure and approved drawing.

Materials & colour: request stone, wood, glass or another surface for review against the design and physical samples.

Base & finish: submit your preferred base style, metal colour and surface treatment for confirmation with the materials and quote.

Design & construction

Ceramic top available in all customizing finishes.

Wood legs available in all Frassino or Noce Canaletto.

Top support covered in leather.

Care instructions

Use coasters and heat-resistant mats on the top; lift objects instead of dragging them and protect the edges from knocks.

Remove loose dust from the ceramic top first; protect thin edges and corners and avoid blades or abrasive pads.

Dust the exposed timber legs separately and keep mop water away from their ends; do not oil or wax an unconfirmed finish.
