

Fifty coffee tables

Tables / Classic Collection

Fifty combines rounded tops with open crossover supports, using leather details to connect the base with the seating around it. Low and taller tables share the same support language while giving the composition different levels.

The listed surfaces include glass, ceramic and marble. Consider the covered portions and exposed metal as two separate finish choices: a close match keeps the structure quiet, while a stronger contrast makes the crossed support more visible beneath the top.

Options, colours & customization

Size & shape: discuss top length, width, height, diameter or outline. Dimensions follow the structure and approved drawing.

Materials & colour: request stone, wood, glass or another surface for review against the design and physical samples.

Base & finish: submit your preferred base style, metal colour and surface treatment for confirmation with the materials and quote.

Design & construction

Black lacquered glass top (black or white).

Ceramic or marble top available in all customizing finishes.

Metal base covered with leather available in all customizing finishes.

Care instructions

Care for the leather-covered base separately from the top; keep liquid from running onto the covering and base joints.

Use coasters and heat-resistant mats on the top; lift objects instead of dragging them and protect the edges from knocks.

Follow the care instructions for the selected top finish and identify its material before using a cleaner.
