

Tokyo coffee tables

Tables / Classic Collection

Tokyo sets its top inside a leather-covered frame, raised on visible blade-style feet. The leg detail provides a contrast to the wider horizontal border and remains part of the outline from beside the sofa.

The hardwood body has listed glass, ceramic and marble surface choices. Metal and selected wood leg finishes are recorded, allowing the support to connect with other exposed furniture details. Compare the frame depth and leg color as well as the tabletop pattern.
