

Newport coffee tables

Tables / Classic Collection

Newport combines a low rectangular body with a tubular metal sled base, leaving an open view below the top. The covering around the frame creates a visual connection to upholstered seating while the metal support defines the floor line.

Glass, ceramic and marble are listed surface choices. The base finish can be coordinated with nearby sofa feet or kept separate, so compare it with the top edge and covered perimeter from a seated viewpoint.

Dimensions & configuration

T175D - 80 X 80 X H. 34"

T176D - 120 X 80 X H. 34"

T177D - 100 X 100 X H. 34"

T178D - 140 X 100 X H. 34"

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & shape: discuss top length, width, height, diameter or outline. Dimensions follow the structure and approved drawing.

Materials & colour: request stone, wood, glass or another surface for review against the design and physical samples.

Base & finish: submit your preferred base style, metal colour and surface treatment for confirmation with the materials and quote.

Design & construction

Hard wood frame covered with leather.

Back lacquered glass top (black and white).

Ceramic top available in all customizing finishes.

Marble top available in all customizing finishes.

Metal legs available in all customizing finishes.

Care instructions

Dust the leather-covered frame separately from the hard top; apply any approved cleaner to the cloth, not directly to the covering, joints or edges.

Use coasters and heat-resistant mats on the top; lift objects instead of dragging them and protect the edges from knocks.

Follow the care instructions for the selected top finish and identify its material before using a cleaner.

Wipe the exposed metal legs or base with a soft, dry cloth; keep mop water off the feet and avoid abrasive polishes.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
