

Yōko Night

Beds / Classic Collection

Yoko Night gives the padded headboard a curved surrounding frame and a flat knot detail threaded through the cushion. The combination makes the upper part of the bed the focus, above a simpler upholstered base.

The recorded construction includes a hardwood frame, polyurethane padding, wood legs and wooden mattress slats. Compare the headboard covering with the surrounding frame, then check the full width against bedside tables so the curved ends remain visible.

Care instructions

Gently dust the headboard and bed-rail seams; follow separate care labels for bedding and the upholstered frame.

When tending the mattress, remove loose dust from the slats and keep the underside ventilated; do not spray cleaner at the slat connections.

Dust the exposed timber legs separately and keep mop water away from their ends; do not oil or wax an unconfirmed finish.
