

Philly dining table

Tables / Selected Collection

Philly combines a long, thin-edged top with two broad panel-like supports. The space between the supports remains open, and the generous overhang at each end makes the relationship between base and surface visible.

The photographs show a veined surface; material and finish can be selected together with the table size. Check the support positions against the chairs and intended dining layout, giving the long tabletop enough space to remain accessible from either side.

Dimensions & configuration

Reference configuration T207B · Dining table: 200 × 100 × 75 cm (W × D × H).

Reference configuration T204B · Dining table: 240 × 100 × 75 cm (W × D × H).

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & shape: discuss top length, width, height, diameter or outline. Dimensions follow the structure and approved drawing.

Materials & colour: request stone, wood, glass or another surface for review against the design and physical samples.

Base & finish: submit your preferred base style, metal colour and surface treatment for confirmation with the materials and quote.

Care instructions

Use coasters and heat-resistant mats on the top; lift objects instead of dragging them and protect the edges from knocks.

Dry-dust the top and its support junctions separately; do not use acidic cleaners, conditioning oils or polishes before the top material is confirmed.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
