

Oliver dresser

Cabinets & Storage / Classic Collection

Oliver places a wide, straight-sided storage body above a slender metal base. Small handles mark the fronts without interrupting the long horizontal outline, while the gap below keeps the legs visible.

The recorded wood structure is upholstered in leather, with top and metal-finish options to be selected for the configuration. Compare the dresser's width with the wall area and allow for opening the storage fronts before arranging objects or additional furniture alongside it.

Care instructions

Dust the cabinet covering separately from the top; keep liquid out of covered edges, panel joints and base connections.

Follow the care instructions for the selected top finish and identify its material before using a cleaner.

Wipe the exposed metal legs or base with a soft, dry cloth; keep mop water off the feet and avoid abrasive polishes.
