

Yōko Mirror

Accessories / Classic Collection

Yoko softens a rectangular mirror with rounded frame corners and a continuous border. The reflective area remains broad, while a visible side seam gives the surrounding edge a small detail.

The plain vertical format can be considered beside a bed, cabinet or dressing area without adding a second strong pattern. The frame material, exact dimensions and installation arrangement require confirmation for the chosen version rather than being inferred from the photographed finish.

Dimensions & configuration

Reference configuration ES018 · Overall framed mirror: 100 × 8 × 193 cm (W × D × H).

Reference configuration ES019 · Overall framed mirror: 140 × 8 × 193 cm (W × D × H).

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & shape: discuss mirror width, height, diameter or outline for the approved drawing.

Frame & colour: request frame upholstery, finish and colour for physical sample confirmation.

Installation: provide wall and location details so the hanging and fixing method can be agreed in the drawing.

Care instructions

Wipe the mirror with a soft, lint-free cloth; apply an approved cleaner to the cloth rather than spraying the edges or backing.

Dry-dust the mirror surround and frame separately; keep cleaning liquid out of trim, corners and seams.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
