

Nebula dresser

Cabinets & Storage / Classic Collection

Nebula lifts a broad drawer body above the floor, separating the storage volume from its slender supports. Covered handles sit close to the fronts, keeping the horizontal cabinet outline clearly defined.

The hardwood structure is wrapped in leather, with glass and selected ceramic tops recorded. The reference range includes different leg styles, so the support should be selected alongside the top and covering. Leave space for the drawers as well as a clear route past the cabinet.

Dimensions & configuration

47 x 21 x H 29"

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss cabinet dimensions, shelves, drawers or open compartments for your space. The final layout follows the approved drawing.

Materials & colour: submit timber, upholstery, top material and metal colour preferences for structural and sample review.

Installation details: provide site measurements for skirting, cable openings or fixing positions to be confirmed in the drawing.

Design & construction

Hard wood frame covered in leather.

Top available in: smoked or white (RAL 9003).

Ceramic top available in Terra, Antracite, Noir Desir, Ossido Bruno, Greenery or Limestone.

Stitching CUC 507.

Care instructions

Dust the cabinet covering separately from the top; keep liquid out of covered edges, panel joints and base connections. Remove loose dust from the ceramic top first; protect thin edges and corners and avoid blades or abrasive pads.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
