

Escape ottomans

Chairs & Stools / Design Collection

Escape stools set a small upholstered seat above a visibly open base. The separate top and leg structure give these pieces a more chair-like appearance than an ottoman that sits directly on the floor.

Use one as an occasional extra seat beside a sofa, or arrange a pair near a larger coffee table. Their footprint should be considered separately from the seats around them so the route through the room stays open.

Dimensions & configuration

Reference configuration P75 · Tall ottoman: 70 × 49 × 49 cm (W × D × H).

Reference configuration P76 · Low ottoman: 70 × 49 × 39 cm (W × D × H).

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat height, width, depth and compatibility with your table. Custom dimensions follow the design and approved drawing.

Materials & colour: submit upholstery, timber or other surface preferences. Confirm colour and texture from physical samples.

Base & details: discuss base finishes and upholstery details. Each seat height and structural configuration is confirmed separately.

Care instructions

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Dust the seat separately from the exposed leg frame, keeping upholstery cleaner off the frame and its joints.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
