

Turtle ottomans

Chairs & Stools / Design Collection

Turtle takes a bag-like outline and turns it into an upholstered pouffe, with a rounded body and two visible handle-shaped details. Piping traces the curved side panels, giving the small piece more definition than a plain cylindrical stool.

The form can add an occasional perch beside a sofa or in a bedroom. A contrasting edge makes the individual panels more apparent, while a matching covering keeps the rounded shape visually continuous.

Dimensions & configuration

Seat height 40 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat height, width, depth and compatibility with your table. Custom dimensions follow the design and approved drawing.

Materials & colour: submit upholstery, timber or other surface preferences. Confirm colour and texture from physical samples.

Base & details: discuss base finishes and upholstery details. Each seat height and structural configuration is confirmed separately.

Design & construction

Wood and polystyrene structure covered in leather.

Stitching CUC 501.

Care instructions

Gently dust the leather-covered stool along its seams; do not soak it or let liquid reach its covering and internal support.
Dust the lower edge of the low seat before cleaning the floor; keep mop water away from the covering.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
