

Aston

Sofas / Classic Collection

Aston places deep button tufting around a simpler, linear seat cushion. The contrast gives this Chesterfield-inspired sofa a clearly defined back and arms without carrying the same pattern across every surface. Raised legs separate the upholstered body from the floor.

A curved corner section changes how the seating turns into a room, making the choice between a straight arrangement and a corner composition part of the design.

Dimensions & configuration

Seat depth 68 cm.

Seat height 42 cm.

Armrest width 29 cm.

Armrest height 70 cm.

Leather covered leg height 10 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Multilayer wood frame with elastic suspension; additional details to be confirmed.

Seat with webbing.

Polyurethane seat cushion with a feather pad.

Polyurethane frame padding.

Bed option not available.

Handmade capitonné.

Care instructions

Gently lift dust from the buttoned folds with a soft, dry cloth; do not pull the buttons or pick at the recesses.

The seat combines foam with a feather layer: gently smooth its shape rather than beating it like a loose-feather pillow.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
