

Bellevue

Sofas / Classic Collection

Bellevue has a visible metal base that extends into the arms, framing an otherwise simple upholstered body. Individually lifting headrests change the back profile, so the sofa can sit visually lower or offer a taller resting position.

This distinction matters in an open room where the sofa is seen from behind. The fixed-headrest corner element differs from the moving units and should be considered when choosing the composition.

Dimensions & configuration

Seat depth 56 cm.

Seat height 42 cm.

Armrest width 26 cm.

Armrest height 55.

Metal leg height

Available in all collection finishes.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Multilayer wood frame with elastic webbing seat suspension.

Polyurethane seat cushion covered with wadding.

Polyurethane back cushion.

Stitching CUC 503B.

Care instructions

Smooth the foam-padded surfaces gently; do not beat, wring or saturate the padding.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
