PRODUCT INFORMATION

Swing

Sofas / Classic Collection

Swing's sweeping outer shell wraps around separate seat and back cushions, with elongated padded arms continuing the curved line. Double stitching follows the broad surfaces and gives definition to the body without a rigid exposed border.

The shape is most apparent when the sofa is seen from an angle. An open layout can reveal the curved sides, while a coordinated covering keeps the shell and cushions reading as one composition.

Dimensions & configuration

Seat depth 56 cm.

Seat height 41 cm.

Armrest width 17 cm.

Armrest height 57 cm.

Metal leg height 10 cm Available in all collection finishes

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Multilayer wood frame with elastic webbing seat suspension.

Polyurethane seat cushion covered with Dacron.

Feather back cushion.

Bed option not available.

Stitching CUC 509 C "Cross/Edge to Edge".

Care instructions

Gently gather and plump the feather back cushions after use; do not beat them or soak the filling.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.
