PRODUCT INFORMATION

Wave

Sofas / Classic Collection

Wave uses three curved seating units to create flowing arrangements rather than a fixed straight sofa line. Stitched details follow the base and back, reinforcing the continuous curves even when the modules are separated or turned into a new composition.

Its rounded layouts need space around the outside as well as between seats. Start with the directions people need to face, then arrange the modules without closing the approach to the centre.

Dimensions & configuration

Seat height 41 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Wood and plywood structure.

Seat cushion and frame padded in polyurethane.

Bed option not available.

Stitching CUC 514

Care instructions

Smooth the foam-padded surfaces gently; do not beat, wring or saturate the padding.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
