

Kong

Sofas / Design Collection

Double piping follows Kong's tapering upholstered outline, framing the seat and back without a heavy outer shell. Separate cushions sit above visible feet, which can change the visual weight of the sofa depending on their finish.

A contrasting piping colour makes the perimeter more pronounced. A close match creates a quieter outline and lets the larger upholstery surfaces carry the room's colour.

Dimensions & configuration

Seat depth 64 cm.

Seat height 41 cm.

Armrest width 32 cm.

Armrest height 62 cm.

Leg height 13 cm, Available in all collection metal or wood finishes

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Multilayer wood frame with elastic webbing seat suspension.

Polyurethane seat cushion with a feather pad.

Polyurethane back cushion with a feather pad.

Wood legs in Canaletto walnut or ash.

Bed option not available.

Fabric piping.

Stitching CUC 501 B.

Care instructions

Gently smooth the foam back cushions and their feather layer; do not beat or wring the cores like loose-feather pillows.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Dust the exposed timber legs separately and keep mop water away from their ends; do not oil or wax an unconfirmed finish.

Before ordering
