

Limousine

Sofas / Design Collection

Limousine's wide arms conceal opening magazine compartments with magnetic closures. Edge stitching follows the upholstered frame and cushions, giving the sofa a clearly traced outline without an exposed storage box.

The compartment changes how the sofa should be positioned: leave enough space beside the opening arm to use it comfortably. A straight or sectional arrangement can then be planned around both the seats and the side access.

Dimensions & configuration

Seat depth 64 cm.

Seat height 41 cm.

Armrest width 36 cm.

Open armrest 86 x H 32 x 23 cm.

Wood leg height 8 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Kong - ZH
