

Denny

Sofas / Classic Collection

Denny combines broad upholstered panels with defined perimeter stitching and raised feet. Individually lifting headrests let the back change from a lower outline to a taller resting position, while contrasting base and cushion colours can emphasise its layered construction.

The sectional format makes the headrest arrangement worth planning seat by seat: headrest adjustment is not included on the E01 element, unlike the moving backrests on the other documented units.

Dimensions & configuration

Seat depth 62 cm.

Seat height 44 cm.

Armrest width 27 cm.

Armrest width PNO 20 cm.

Armrest height 63 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.
