PRODUCT INFORMATION

Renegade

Sofas / Design Collection

Renegade sets horizontal cushion bands above an inclined base and tall, visible legs. The diagonal support line contrasts with the straight back cushions, giving the sectional a more architectural profile than a low block-shaped sofa.

Open compositions can include separate table surfaces between seating areas. Leaving room around the base allows its angled outline to remain visible and gives access to the breaks between modules.

Dimensions & configuration

Seat depth 61 cm.

Seat height 43 cm.

Armrest width 26 cm.

Armrest height 50 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Feather arm cushion.

Leg height 21 cm.

Bed option not available.

C0201 included in the price of S/D01, S/D04 and S/D05 elements.

Stitching CUC503 B

Care instructions

The seat combines foam with a feather layer: gently smooth its shape rather than beating it like a loose-feather pillow.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
