

Tokyo Ottomans

Chairs & Stools / Classic Collection

Tokyo ottomans set round upholstered seats on short, visible supports. The collection shows different widths and heights, allowing the pieces to sit together without becoming identical repeats of the same form.

A small one can work beside an armchair, while a broader piece can extend a sofa's lounging area. Keep their placement flexible enough that the route through the room does not depend on moving a large seat.

Dimensions & configuration

Reference configuration P84 · Round ottoman: Ø62 × H42 cm.

Reference configuration P85 · Round ottoman: Ø103 × H43 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat height, width, depth and compatibility with your table. Custom dimensions follow the design and approved drawing.

Materials & colour: submit upholstery, timber or other surface preferences. Confirm colour and texture from physical samples.

Base & details: discuss base finishes and upholstery details. Each seat height and structural configuration is confirmed separately.

Care instructions

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Dust the seat separately from the exposed leg frame, keeping upholstery cleaner off the frame and its joints.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
