

Gregory

Sofas / Design Collection

Gregory's broad upholstered modules are outlined by edge stitching and buckle details on the arms and backs. These fastenings make the outside of the sofa an active part of the design, rather than an undecorated reverse.

The system also includes a container-arm option that can act as a backrest in selected arrangements. This creates a different planning approach from a conventional sofa with one fixed front and back.

Dimensions & configuration

Seat depth 68 cm.

Seat height 43 cm.

Armrest width 29 cm.

Armrest height 55 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Multilayer wood frame with elastic webbing seat suspension.

Polyurethane seat cushion covered with wadding.

Feather back cushion with polyurethane insert.

Leg height 4 cm.

Bed option not available.

Stitching CUC503 B.

Care instructions

Gently gather and plump the feather back cushions after use; do not beat them or soak the filling.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
