PRODUCT INFORMATION

Newport

Sofas / Classic Collection

Newport has square upholstery volumes, piped edges and slanted seam details. A lifting back mechanism offers two back heights, changing the profile above the seat without replacing the cushions. The system also includes modules with an integrated side-table surface.

These choices affect both use and layout: a taller back changes the rear view, while a table-bearing unit can occupy the place where a separate side table would otherwise stand.

Dimensions & configuration

Seat depth 53 cm.

Seat height 45 cm.

Armrest width 29 cm.

Armrest height 61 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Multilayer wood frame with elastic webbing seat suspension.

Polyurethane seat cushion covered with Dacron.

Polyurethane back padding covered with Dacron.

Leg height 12 cm, Available in all collection finishes.

Bed option not available.

Back can be raised using a gas spring mechanism, to a maximum height of 92 cm.

S/D01 corner element has a fixed corner back.

Stitching CUC514

Care instructions

Dry-dust the raising-back gaps and keep clear while adjusting them; do not spray, oil or dismantle the gas-spring mechanism.

Smooth the foam-padded surfaces gently; do not beat, wring or saturate the padding.

Before ordering
