

Space

Sofas / Classic Collection

Space wraps its seat and back cushions in a curved outer frame, with decorative trim and clasp details at the upholstery edges. The compact-looking body can be arranged in straight, corner or chaise compositions without losing its rounded outline.

Choose the module count around the room's available length and circulation, then decide how much contrast to give the trim. A single-colour composition keeps attention on the shape rather than the fastenings.

Dimensions & configuration

Seat depth 60 cm.

Seat height 42 cm.

Armrest width 55 cm.

Armrest height 6 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction
