PRODUCT INFORMATION

Side

Tables / Design Collection

Side offsets a compact top above an open, angled metal support, creating a cantilevered profile beside seating. The base leaves one side of the table visually open instead of surrounding the top with four legs.

Back-lacquered glass and ceramic are listed surfaces. Check the finished height against the seat or arm, and compare the base footprint with the furniture feet. The open form does not guarantee that it will slide beneath every sofa.

Dimensions & configuration

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & shape: discuss top length, width, height, diameter or outline. Dimensions follow the structure and approved drawing.

Materials & colour: request stone, wood, glass or another surface for review against the design and physical samples.

Base & finish: submit your preferred base style, metal colour and surface treatment for confirmation with the materials and quote.

Design & construction

Back lacquered glass top (black or white).

Ceramic top available in all customizing finishes.

Metal base available in all customizing finishes.

Care instructions

Use coasters and heat-resistant mats on the top; lift objects instead of dragging them and protect the edges from knocks.

Follow the care instructions for the selected top finish and identify its material before using a cleaner.

Wipe the exposed metal legs or base with a soft, dry cloth; keep mop water off the feet and avoid abrasive polishes.
