Tables / Classic Collection

Shanghai combines a low coffee table with an integrated drawer, using covered handles and strap details to echo the outline of luggage. The storage front remains visible beneath the broad upper surface.

The recorded padded hardwood body is covered in leather, with glass, ceramic and marble top choices. Some configurations use raised metal legs while others have a more solid support, so choose the base alongside the storage layout and leave space in front of the drawer.

Care instructions

Empty drawers before dry dusting; keep liquid away from runners, handle fixings and panel joints.

Dust the leather-covered frame separately from the hard top; apply any approved cleaner to the cloth, not directly to the covering, joints or edges.

Use coasters and heat-resistant mats on the top; lift objects instead of dragging them and protect the edges from knocks.

Follow the care instructions for the selected top finish and identify its material before using a cleaner.
