

Planets

Tables / Classic Collection

Planets brings three round surfaces into one table composition, with different diameters and levels creating an overlapping outline. The visible supports connect the separate circles without turning them into a single broad slab.

A black wood top support and metal base sit beneath listed glass, mirror, ceramic or marble surfaces. Consider the complete grouped footprint rather than only the largest circle when placing the table between seats or beside a circulation route.

Dimensions & configuration

T215C - 52 X 48 X H. 49 cm.

T216C - Ø40"

T217C - Ø50"

T218C 110 X 85 X H. 51"

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & shape: discuss top length, width, height, diameter or outline. Dimensions follow the structure and approved drawing.

Materials & colour: request stone, wood, glass or another surface for review against the design and physical samples.

Base & finish: submit your preferred base style, metal colour and surface treatment for confirmation with the materials and quote.

Design & construction

Black wood top support.

Back lacquered glass top (black or white).

Mirror top available in Mirror, Bronze Mirror or Smoked Mirror.

Ceramic or marble top available in all customizing finishes.

Metal base available in all customizing finishes.

Care instructions

Use coasters and heat-resistant mats on the top; lift objects instead of dragging them and protect the edges from knocks.

Follow the care instructions for the selected top finish and identify its material before using a cleaner.

If the mirror top is selected, apply an approved cleaner sparingly to a cloth; do not spray the edges or backing.

Wipe the exposed metal legs or base with a soft, dry cloth; keep mop water off the feet and avoid abrasive polishes.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
