

Sphere

Tables / Classic Collection

Sphere adds a small revolving tray above a low rounded table, creating two distinct surface levels. The tray sits off-center in the photographed arrangement, so its movement changes the relationship between the upper circle and the larger top.

The hardwood body is covered in leather. Glass, ceramic and marble are listed for the main surface, while the tray has mirror-finish options. Confirm the selected tray mechanism and its movement clearance before placing objects or surrounding furniture.

Dimensions & configuration

T255B - Ø100 x H 34cm

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & shape: discuss top length, width, height, diameter or outline. Dimensions follow the structure and approved drawing.

Materials & colour: request stone, wood, glass or another surface for review against the design and physical samples.

Base & finish: submit your preferred base style, metal colour and surface treatment for confirmation with the materials and quote.

Design & construction

Hardwood frame covered in leather.

Back lacquered glass top (black or white).

Ceramic top available in all customizing finishes.

Marble top available in all customizing finishes.

Revolving tray top available only in the following finishes: Mirror, Bronze Mirror or Smoked Mirror.

Revolving tray mechanism finishing RAL 9004.

Care instructions

Dust the rotating tray separately from the fixed top and keep debris away from the pivot; do not spray or lubricate the mechanism yourself.

Dust the leather-covered frame separately from the hard top; apply any approved cleaner to the cloth, not directly to the covering, joints or edges.

Use coasters and heat-resistant mats on the top; lift objects instead of dragging them and protect the edges from knocks.

Follow the care instructions for the selected top finish and identify its material before using a cleaner.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
