PRODUCT INFORMATION

Kate

Armchairs / Classic Collection

Kate combines a tall back with double cushioning and a structured arm line. Stitched edges give the arms a clearer outline, contrasting with the softer seat and back cushions. Fixed and swivel bases create two different ways to position the chair.

For a reading corner, consider the height of the back alongside a floor lamp. In a conversation group, a swivel version can face more than one part of the room.

Dimensions & configuration

W. 75 cm x H. 92 cm x D. 89 cm.

Seat depth 56 cm.

Seat height 44 cm.

Seat width 60 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat width, depth, height and back proportions. Custom dimensions follow the design and approved drawing.

Upholstery & colour: provide a fabric or leather swatch, or a colour reference, for material and sample confirmation.

Base & details: discuss the base material, finish and stitching colour. Functional options such as a swivel base require separate confirmation.

Design & construction

Metal frame.

Polyurethane seat and back padding covered with Dacron.

Swivel metal base in titanium, bronze or copper.

Stitching CUC 203 B.

Care instructions

Keep the swivel base clear of dust and obstructions; dry-dust its gaps without dismantling it, adding liquid or lubricating it yourself.

Smooth the foam-padded surfaces gently; do not beat, wring or saturate the padding.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
