

Baku dressers

Cabinets & Storage / Design Collection

Baku offers two different ways to arrange bedroom storage: a broad three-drawer dresser and a taller five-drawer version. Rounded outer corners soften the cabinet outline, while metal handles mark each drawer front.

The wood body is covered in leather and paired with glass, ceramic or marble top options. Choose between a longer display surface and a more vertical storage arrangement, taking the drawer-opening space into account as well as the cabinet footprint.
