

Charlotte

Armchairs / Design Collection

Charlotte uses a smooth, enclosing outline rather than a prominent exposed frame. A padded seat sits within the upholstered body, with ties and stitched edging adding small points of detail.

The restrained shape makes it easy to place beside a more structured sofa. Keeping the covering close to nearby upholstery creates continuity, while a contrasting colour lets the chair stand apart without introducing another large furniture form.

Care instructions

Gently dust the decorative ties and their connections; do not pull the ends or use the ties to lift or move the furniture.

Smooth the foam-padded surfaces gently; do not beat, wring or saturate the padding.

Wipe the exposed metal legs or base with a soft, dry cloth; keep mop water off the feet and avoid abrasive polishes.
