PRODUCT INFORMATION

Trench

Armchairs / Design Collection

Trench brings magazine pockets and visible zip details to the sides of an upholstered armchair. A raised base and slim legs keep the lower outline open, while the long arm surfaces make the storage part of the chair's profile.

Position the chair with at least one side accessible so the pockets can be used. This detail matters beside a sofa or wall, where an ordinary armchair might otherwise fit more tightly.

Dimensions & configuration

W. 80 cm x H. 66 cm x D. 80 cm.

Seat depth 56 cm.

Seat height 41 cm.

Seat width 70 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat width, depth, height and back proportions. Custom dimensions follow the design and approved drawing.

Upholstery & colour: provide a fabric or leather swatch, or a colour reference, for material and sample confirmation.

Base & details: discuss the base material, finish and stitching colour. Functional options such as a swivel base require separate confirmation.

Design & construction

Metal structure and wooden seat, with elastic webbing suspension.

Seat cushion in polyurethane and feathers.

Back cushion in polyurethane and feathers.

Metal leg height 15 cm, available in all collection finishes.

Metal details available in all collection finishes.

Leather pockets on both sides.

Stitching CUC 504.

Care instructions

Empty the storage pockets before dusting; support the openings without pulling their edges or seams, and do not leave damp items inside.

Gently smooth the foam back cushions and their feather layer; do not beat or wring the cores like loose-feather pillows.

Wipe the exposed metal legs or base with a soft, dry cloth; keep mop water off the feet and avoid abrasive polishes.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
