

Love

Armchairs / Design Collection

Love surrounds a cushioned seat with an open woven shell carried on a light tubular structure. Three back cushions soften the interior, while the interlaced exterior remains visible from the side and rear.

The broad form sits between a conventional armchair and a small loveseat. Its swivel layout can open toward different parts of a lounge, with space around the woven back giving the construction room to be seen.

Dimensions & configuration

W. 140 cm x H. 90 cm x D. 120 cm.

Seat depth 72 cm.

Seat height 42 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat width, depth, height and back proportions. Custom dimensions follow the design and approved drawing.

Upholstery & colour: provide a fabric or leather swatch, or a colour reference, for material and sample confirmation.

Base & details: discuss the base material, finish and stitching colour. Functional options such as a swivel base require separate confirmation.

Design & construction

Multilayer wood structure with elastic webbing seat suspension.

Polyurethane seat cushion covered with Dacron.

Polyurethane back cushion covered with feathers.

Metal structure available in all collection finishes.

C11 pillow (CUC 512) included in the price.

Stitching CUC 512.

Care instructions

Gently smooth the foam back cushions and their feather layer; do not beat or wring the cores like loose-feather pillows.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Gently wipe exposed metal inserts, supports and fittings with a soft, dry cloth; keep liquid out of their junctions and avoid abrasive polishes.

Before ordering
