PRODUCT INFORMATION

Luna

Armchairs / Design Collection

Luna is defined by a broad rounded back that changes character as the chair is viewed from different angles. A small tie passed through a metal eyelet interrupts the smooth upholstery and provides a clear detail on the back cushion.

The turning base suits an open seating group where the chair is seen all around. A quiet covering draws attention to the curve; a contrasting tie makes the fastening more noticeable.

Dimensions & configuration

W. 96 cm x H. 75 cm x D. 82 cm.

Seat depth 60 cm.

Seat height 45 cm.

Seat width 60 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat width, depth, height and back proportions. Custom dimensions follow the design and approved drawing.

Upholstery & colour: provide a fabric or leather swatch, or a colour reference, for material and sample confirmation.

Base & details: discuss the base material, finish and stitching colour. Functional options such as a swivel base require separate confirmation.

Design & construction

Multilayer wood structure with elastic webbing seat suspension.

Polyurethane seat and back padding.

Swivel base and metal legs available in all finishes.

Swivel base and metal legs available in all collection finishes.

Black rubber details on the back.

Stitching CUC 503.

Care instructions

Keep the swivel base clear of dust and obstructions; dry-dust its gaps without dismantling it, adding liquid or lubricating it yourself.

Gently wipe the rubber details on the back with a soft, dry cloth; avoid solvents, conditioning oils and abrasives.

Smooth the foam-padded surfaces gently; do not beat, wring or saturate the padding.

Wipe the exposed metal legs or base with a soft, dry cloth; keep mop water off the feet and avoid abrasive polishes.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
