PRODUCT INFORMATION

Morgan

Sofas / Design Collection

Morgan combines deep seat modules with a choice of straight and curved backs. The two back shapes can be used in the same composition, giving a layout more variation than a simple rectangle or repeated corner unit.

Piping traces the generous upholstered forms. Use a curved section to turn seating toward the centre of a room, while straight modules can align with walls, rugs or other architectural edges.

Dimensions & configuration

Seat depth 66 / 76-78 cm.

Seat height 41 cm.

Armrest width 31 cm.

Armrest height 70 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Multilayer wood frame with elastic seat suspension.

Polyurethane seat cushion covered with Dacron.

Polyurethane back cushion covered with Dacron.

Height 4 cm.

Bed option not available.

Elements with straight and curved backs can be combined in the same sofa composition.

Stitching CUC 501.

Care instructions

Smooth the foam-padded surfaces gently; do not beat, wring or saturate the padding.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
